GOVERNORS OFFICE 9TH FLR  
2010 JUN -9 PM 4:30

Governor Brewer:

I represent the 48<sup>th</sup> District in the Tennessee House of Representatives. Recently we passed House Joint Resolution 1253 of which I was the sponsor. This HJR congratulated the state of Arizona on your upcoming centennial as well as supported the rights of your state to secure its borders by enacting SB 1070.

In light of opposition directed at you and Arizona in the form of boycotts and false accusations, I and many of my colleagues felt it was our responsibility to lend our support to a sister state. I admire you, Senator Pearce, and the rest of the Arizona General Assembly for having the courage to take a stand and act in the best interests of your state.

I and several other members of the Tennessee General Assembly would welcome the opportunity to visit Arizona and meet with you to discuss immigration reform. I would be honored to present you with a copy of HJR 1253.

Sincerely,
